

A **visionscape** COMPANY

Experienced MIG Welders

Hourly Rate plus Bonus

Sellers Containers part of the International Group Visionscape, a multifaceted group of companies serving diverse key areas along the environmental utility value chain across the world, have an exciting opportunity for experienced MIG Welder's to join the existing team based at the Oldham site.

Role Summary: You will be responsible for fabricating, assembling and welding components, parts and materials that form 'ISO', 'Roll on Roll off' containers or container assemblies in accordance with drawings supplied and instructions given.

The Main Purpose of the Role:

- To manufacture a high quality of 'ISO' & 'Roll on Roll off' containers in line with the Production plan therefore meeting customer requirements and exceeding customer expectations.

Required Experience:

- Experience of the Welding process
- Knowledge of the MIG Welding experience
- Previous welder approval qualifications in BS EN would be advantageous.
- Experience of working in the Manufacturing industry.
- Be able to read and work straight from technical drawings.

Person Profile

- Excellent communication skills
- Accuracy
- Attention to detail
- Excellent Organisational skills
- The ability to work on own initiative as well as part of a wider team.

The position will report directly to the Weld Team Leader.

Immediate start available for the right candidate subject to Weld Test which is part of the interview process so please come prepared with safety boots, overalls etc.

The role is located at our Oldham site based in Chadderton and is initially a 6 month contract with a potential permanent role at the end of the contract for the ideal candidate who can fulfil the company's requirements.

Hours of work: 39 hours per week – Full Time
Mon – Thurs 7.30am – 4.30pm
Fri 7.30am – 12.00Noon
